

EMPLOYMENT VACANCY

CDRI—Cambodia’s leading independent development policy research institute, is seeking ambitious and highly qualified Cambodian national researcher for the position of **Research Fellow/Associate** to be based at the Centre for Development Economics and Trade.

Major Responsibilities:

- Lead, design and implement research projects
- Review relevant literature, provide technical input on methodology and conceptualisation
- Take part in data analysis and report writing
- Lead or take part in writing proposals for funding
- Lead the implementation of field work and data management (data entry and cleaning)
- Participate in coaching and mentoring of junior researchers
- Monitor progress and quality of research outputs
- Read and comment on final outputs, take ownership and responsibility for dissemination of research findings
- Participate in project planning, budgeting and staffing of the centre
- Take part in networking and consultation with all relevant partners, including the government counterparts, NGOs, donor agencies and other research institutions in and outside Cambodia.

Minimum Qualifications:

- Master degree (PhD or equivalent is preferred) in development economics; specialisation in international economics is a plus
- At least three years of experience in conducting academic and policy-oriented social science research
- Sound analytical grasp of social development issues affecting Cambodia and the region
- Demonstrated record in publication using quantitative research design
- Experience in using statistical software (e.g., Stata, R, SPSS) to manage complex data and to conduct quantitative analysis
- Comprehensive understanding of socioeconomic and trade development in Cambodia and the region
- Demonstrated management ability, strong organizational skills, and experience working with and motivating a team
- Strong communication skills, experience in mentoring, and commitment to professional development of researchers
- Demonstrated experience in multi-stakeholder policy and research coordination
- Experience in research grant proposal writing is a plus
- Excellent communication skills in English and Khmer, both oral and written.

For further details about this post and CDRI, please refer to the CDRI website: <http://www.cdri.org.kh>. Application letter, detailed CV, sample publications and list of three

professional referees (names, post and e-mail addresses and telephone numbers) must be received by the HR and Administration Unit, CDRI, P.O. Box 622, Phnom Penh Cambodia, or e-mail: hr@cdri.org.kh by **6 July 2020**.

Only short-listed candidates will be notified. Female applicants are particularly encouraged to apply
