

## Call for Expression of Interest to Provide Professional Auditing Services

The Cambodia Development Resource Institute (CDRI), Cambodia’s leading independent development policy research institute, is a private nonprofit organisation. CDRI works to conduct independent, objective, high quality policy-relevant development research, to maximise its accessibility to policymakers, influencers and stakeholders and to have it affect policy in six interrelated areas that are key for Cambodia’s sustainable development: agriculture, economics, education, environment, governance and health.

CDRI is seeking proposals for independent auditing services for its annual financial report for fiscal year 2018 (1 January –31 December) initially, and for the years 2019–2022 if renewed. The selected auditing firm will verify the financial report as stated in the Terms of Reference, which can be requested via email. The audit will be in two stages: interim audit for 1 January 2018 to 30 September 2018, and final audit for 1 October 2018 to 31 December 2018. The audit reports must be issued by 21 March 2019.

Please post/send your expression of interest, proposal (both technical and financial) and curriculum vitae of the audit team members by close of business on 28 September 2018, to:

Cambodia Development Resource Institute  
#56 Street 315, Tuol Kork, Phnom Penh, Cambodia
